Field Service Internship

Make the beautiful lakes and ponds of Minnesota your office in the Summer! Field Service interns will learn about plant identification and aquatic plant management. You will work daily in boats on lakes and ponds around the metro area and statewide providing our weed and algae control services. Each two-person crew consists of a crew member and a crew manager. The job will start shortly after the school year ends and will end in early August.

Requirements:

- Ability to lift 50 lbs
- Clean driving record
- Responsible
- Hard working
- Overtime may be mandatory
- Boat and trailer experience a plus
- Basic math skills
- GPS experience a plus

Compensation: hourly wage and overtime.

Work week: The hours can range from 40 to 50 hours per week.

Please send cover letter and resume to:
