Lake Restoration® Pond Dye Packets

Lake Restoration, Inc.
12425 Ironwood Circle, Rogers, MN 55374
763-428-9777 Toll Free: 1-877-428-8898
LakeRestoration.com

100% NON-TOXIC

The application of Lake Restoration® pond dye packets adds a natural beauty to ponds, lakes and lagoons, asthetically improving their appearance.

DIRECTIONS:

Apply at the rate of 1 pond dye packet per acre-foot of water. Use additional pond dye packets if a deeper color is desired. Just toss the pond dye packets in several locations throughout the pond.

CAUTION: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED.

Avoid contact with skin. If product comes into contact with skin, wash thoroughly. In case of eye contact, wash thoroughly with clear water. If irritation persists, contact a physician immediately.

STORAGE AND HANDLING

Rubber gloves are suggested to prevent staining of skin. Keep product closed when not in use. Store in a cool, dry location. Do not reuse container.

CONDITIONS OF SALE

Seller's guarantee shall be limited to contents and merchantability of the product and the terms of label and subject thereto. The buyer assumes any risks to persons or property arising out of use or handling. Because the time, place, rate of applications, and other other conditions of use are beyond seller's control, seller's liability from storage, handling and use of this product is limited to replacement of product or refund of purchase price.

100% NON-TOXIC

The application of Lake Restoration® concentrated dye adds a natural beauty to ponds, lakes and lagoons, asthetically improving their appearance.

DIRECTIONS:

Apply at the rate of 1 quart of concentrated dye per 1 surface acre of water 3 to 4 feet deep. Use additional concentrated dye if a deeper color is desired. Add the concentrated dye to the pond in several locations, pouring directly from the bottle.

CAUTION: KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED.

Avoid contact with skin. If product comes into contact with skin, wash thoroughly. In case of eye contact, wash thoroughly with clear water. If irritation persists, contact a physician immediately.

STORAGE AND HANDLING

Rubber gloves are suggested to prevent staining of skin. Keep product closed when not in use. Store in a cool, dry location, but do not allow freezing. Do not reuse container.
