## **Application Rate**

Mix SparKlear® with water. Apply as evenly as possible to the area.

## **For Best Results**

Always dilute and use as directed. To minimize the effects of settling, shake bottle thoroughly before dilution and use. Disperse diluted product over as large an area as possible. Apply when air temperature is 50° - 90° F.

## **Precautionary Statements**

**KEEP OUT OF REACH OF CHILDREN.**

For eye contact: Flush or wash with plenty of water. If Irritation persists seek medical attention.

For ingestion: Get immediate medical attention. **DO NOT** induce vomiting.

## **Storage**

Store this product out of direct sunlight in a cool, dry area. For best results, use within 12 months.
