Summer Employment: Field Service Crew Manager Opportunities available.

Lake Restoration in Rogers, MN is looking to fill multiple seasonal Lake and Pond treatment crew manager positions. You will be working daily in boats on lakes and ponds around the Twin Cities metro area and statewide providing our weed and algae control services. The job will start after the school year ends and will end in late August.

Requirements:

- Ability to lift 50 lbs
- Clean driving record
- Responsible
- Hard working
- Boat and trailer experience a plus
- Basic math skills
- GPS experience a plus
- Applicants who are offered a position must successfully pass the Herbicide Applicator test through the Minnesota Department of Agriculture. Lake Restoration will provide study materials.

Compensation: hourly wage and overtime.

Work week: You will work 3 to 4 days per week with hours ranging from 30 to 40 hours per week.

Please send cover letter and resume to:
